

DRESSING ROOM IDEAS

This dressing room and the bench were designed by Pippa Paton

STATEMENT STYLE

Making a feature out of the wardrobes in a dressing room can have a wonderfully striking effect. In this bespoke Cotswolds space designed by Pippa Paton, the wardrobes were chosen to make a strong statement in an otherwise simple space. 'Book matched crown cut walnut with a strong grain was chosen to reflect the homeowner's love of wood and a leather upholstered seat in the same finish doubles as a luggage rack, which is on wheels for flexibility,' says Pippa.
